AMG INTERNATIONAL AND OUR MISSION OUTREACH

AMG International is an evangelical Christian missionary agency ministering to needy people in some 40 countries of the world. AMG has provided hope through the Good News of Jesus Christ since 1942. Many are brought to a personal belief and trust in Jesus Christ through evangelism carried on by AMG missionaries, national leaders, church planters, schools, radio programs, and newspaper evangelism. Thousands of hungry children are fed and cared for in AMG childcare centers, and broken bodies are given medical help in hospitals, clinics, and leprosy centers.

AMG's goals are to provide every person on earth at least one opportunity to hear and respond to the gospel, to express the compassion of Christ as God allows, and to serve the pastor and his local church through informing, challenging, and encouraging them to fulfill their worldwide responsibilities.

When you pray for or support AMG, you can feel satisfied knowing you have made a positive difference for many hurting people. We are God's children meeting the needs of others in the name of Jesus Christ. Please pray for our ministry.

AMG Charitable Gift Annuity

The Right Choice.

A service of AMG's Advancing Stewardship Ministry

WHAT IS A CHARITABLE GIFT ANNUITY?

The AMG charitable gift annuity is part gift and part investment. It will pay you a fixed amount every year for the remainder of your life. This is guaranteed by all the assets of AMG International. There are no fees involved, and 100% of your money is invested. It is an excellent way to earn income for life and enjoy a current tax deduction while sharing in the ministries of AMG International.

HIGH RATE OF RETURN

The plan gives you an excellent rate of return depending on the age of the participants. The plan offers single or two-life options as well as a deferred payment option. The single-life plan provides for payments to the annuitant through his or her life. The two-life plan pays one person for life and then passes income payments on to a beneficiary for his or her life. A third option is to defer payment to a future date, thereby increasing the rate of return. This is an excellent option for investors under the age of 60.

SAFE AND SECURE

For over 20 years, AMG has provided an annuity plan for investors that is both safe and offers a high rate of return. The AMG portfolio is managed by professional investment bankers and is audited each year by an independent public accounting firm. AMG is a member of the Evangelical Council For Financial Accountability (ECFA) and is governed by an independent board of directors made up of outstanding business and spiritual leaders from around the world.

SATISFACTION

You will have a sense of satisfaction knowing that you have made a difference for so many hurting people through your support of AMG International. Only heaven will tell the number of souls that have been brought to a saving knowledge of our Lord Jesus Christ through this ministry. However, we are able to see the contented smile on the face of an undernourished child who is being provided nutritious food for the first time. We do see the sparkle in the eyes of a formerly blind leprosy victim who has been cured of his disease and through surgery has been given the ability to see again. We can see the expression of joy in the life of a new believer who once prayed to a man-made god, but who can now feel the spirit of the living God within his heart. Jesus is our example. We follow His command to *"Go into all the world . . ."*

ESTATE PLANNING AVAILABLE

"The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein."
Psalm 24:1

God is the owner of all we possess. We are only stewards, or trustees, of what God has allowed us to use while we are here on earth. In light of this principle, many Christians are taking the position that planning for the distribution of an estate is a spiritual decision.

Jesus indicated in the parable of the talents that every person is responsible for the use of the assets that have been given by the Master, and that there are rewards for those who are good stewards and punishments for those who fail in their stewardship responsibilities. Jesus also taught from the example of the widow giving her two small coins at the temple that stewardship of possessions is not just for the wealthy; all of His followers are required to be spiritually responsible stewards.

If you have not prayerfully planned the final distribution of your estate, or if you are uncertain whether or not your estate design takes advantage of all current probate and tax law, we can help. The estate design ministry provided by AMG International can assist you in this important task. We will never tell you how to distribute your assets. Our service is free and confidential, and you may accept or reject the final estate design. We would like to send you our Guide to Planning Your Estate with no obligation.
