

THE MYERS JOURNEY

December 2010

Volume 1
Issue 3

*For unto us a child is born, unto us
a son is given: and the government
shall be upon his shoulder: and his
name shall be called Wonderful,
Counsellor, The mighty God, The
everlasting Father, The Prince of
Peace. Isa. 9:6*

What's Been Happening: Here we are at the end of 2010 about to celebrate Jesus taking on flesh on our behalf...that is an AWESOME truth. It is because of this that we believers can look at our past-present or future and know that God cares and is in control.

So, what does that have to do with what has been happening in our lives? Everything. God's promises apply to Lynette & Jimmy as we raise support by contacting families and churches to share what God is doing at AMG and with us. We will be honest...it is tough and sometimes discouraging. Families and churches do not always respond positively to our contact but our focus is to put God on display and the rest is in His control.

Dear Friend,

*Thank you for reading our news letter
and we wish you and your family a Merry
Christmas and a Happy New Year!*

Let's look at three happenings these last few months...

Ron Stokes & Jimmy visit AMG Partners in Pennsylvania

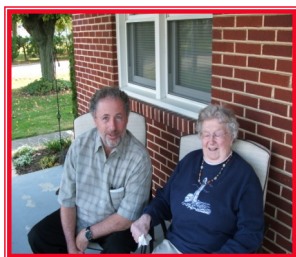

Jimmy visits AMG volunteer in New Hampshire

Ringgold Fellowship of Christian Athletes field trip to AMG

*Development of the new **AMG National Volunteer Network** logo*

Ron & I were in Pennsylvania in early October to visit many donors & **volunteer** who have been connected to AMG ranging from 20 to 50 years!

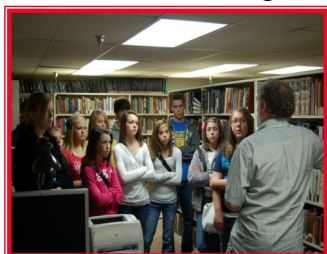

I visited our AMG friends at Fellowship Bible Church in NH. This family has begun a ministry called "Helping Hands" to reach out to the community while directly benefiting AMG's work in Guatemala with their **volunteer** work. Their passion to make a difference in their church & Guatemala is inspiring. They exemplify our future **National Volunteer Network**.

*Great fellowship & hospitality!
A heart to serve.*

Ringgold Middle School Fellowship of Christian Athletes contacted me to see if they could **volunteer** their services to help the work of AMG. We organized a field trip for the twelve leaders to help them see the variety of work God is doing and how they can **volunteer**. It was great!

*Fun & educational!
What might God do
in these young lives?*

**Drum Roll Please!
Introducing the new AMG**

National Volunteer Network logo!

I presented Sandy Troop, our fantastic graphic designer, with some conceptual ideas with an emphasis on: (1) Multiple people working together (2) Reinforce Advancing the Ministries of the Gospel (3) Similar to our present

AMG logo. As always Sandy goes above and beyond with design and creativity. *Way to go Sandy!*

Supply for the Journey: *Update: The first financial level we must reach before being able to actually begin our full time ministry is to raise \$7500 as well as having in place \$2500 in monthly AMG support partners. We are presently at 40% of the \$7500 goal and at 14% of the monthly goal. (As is standard with mission agencies, AMG deducts a small percentage of funds raised for administrative expenses and upkeep).*

Thank You! We want to thank you for your care and support! For those who are praying, please continue. For those who are giving so sacrificially, we thank you and your giving to the Lord is a blessing.

"...in working together with Him." — 2 CORINTHIANS 6:1
