

Dear Prayer Partners,

As the autumn draws to a close and I remember my trip to Costa Rica to visit my family, I quiet myself for a moment to thank the Lord Jesus Christ for a year full of blessings and new expectations.

Knowing that my historic God, who has been supporting me in all my needs, is the same today and always. This perspective helps me to focus on what He wants me to do to serve Him better and allow myself to be a channel of His blessing to others.

After more than a year of working for AMG International at the home office, I realize that my vision has been expanded to include all those countries where AMG has a National Worker. By being the link between a *donor* and a *national worker* (and vice versa), carrying the stone of relationships they are building, reading personal prayer requests from both sides, and seeing how God is alive in their ministries, it makes me think that giving and receiving is part of the dynamic of the Kingdom of Heaven.

Both are great investors, and both are rich, because they know that whatever happens to them, their life is secure in Christ and their investment has eternal dividends.

That puts me in the position of intermediary with all the responsibilities that entails. Jesus is our intermediary with the Heavenly Father and the Holy Spirit is too. I am fully aware that we do not need any other. But I am also learning the concept of being in the middle of two people separated by sea and land with the same goal: that of seeking for a soul to come to know the truth in Jesus Christ. We all have the same responsibility between the Lord and the world, and I am doing my part at AMG International.

For several months AMG International paid half of my salary, and I volunteered the other half. I was not bold enough to attempt to raise the other half of my salary, as nearly everyone else in the AMG Missions Department does. But as I have worked closely with the AMG National Workers, and have seen their faith and how they trust God to provide their financial support, God has shown me that I too can trust Him to provide the other half of my needed support. So I am trusting God to provide for my support through some of you. Would you prayerfully consider partnering with me in this ministry the Lord has called me to? By supporting me, you are supporting AMG and by supporting AMG, you can see where your efforts will be invested. The following is a letter of one of our National Workers to his sponsor.

“Dear sponsor,

...another typhoon is going to hit the Philippines. According to the weather bureau it is expected to make landfall tomorrow. We hope & pray that it will not directly hit the Philippines again. As for our relief distribution project, we have given food packs to about 6000 families (sponsored children & to the communities where our centers are located). We distributed school uniforms and educational materials to about 1500 sponsored children. Next week we will be distributing construction materials to affected families. We are appealing for help for our rehabilitation project to help them recover. We are praying that we could provide financial assistance for Income Generating Projects, for seedlings and farm inputs. Our center in Muntinlupa is still flooded at this time. We were able to buy two boats for them so that sponsored children could regularly attend classes every day. They have to pay 10 pesos for the boat ride from home to school and every day they have to spend about 40 pesos...”

This is a donor's encouragement to a National Worker:

“Dear Pastor Ch. P.

Warm greetings to you in the precious name of our Lord and Savior Jesus Christ! It was such a blessing to receive your letter and to hear all that God is doing through your ministry. I am grateful that God gives you the courage and faith to persevere. I hope the Bundle of Love I'm sending you will be a reminder of my love and gratitude for your faithful service.

With love and prayers from your sponsor...”

“The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Spirit, be with you all”

2 Cor. 13:14
