INDEPENDENT AUDITORS' REPORT

**To the Board of Directors
of AMG International, Inc.**

Qualified Opinion

We have audited the accompanying financial statements of AMG International, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the financial statements referred to above present fairly, in all material respects, the financial position of AMG International, Inc. as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

As more fully discussed in Note 1 to the financial statements, the Organization has elected not to consolidate the financial statements of its wholly owned subsidiary, AMG Publishers, Inc. and majority-owned subsidiary, St. Luke's Hospital. Accounting principles generally accepted in the United States of America require that all majority-owned subsidiaries be accounted for as consolidated subsidiaries. The effects on the accompanying financial statements of the failure to consolidate have not been determined.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AMG International, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AMG International Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AMG International Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited AMG International, Inc.'s 2023 financial statements, and we expressed a qualified audit opinion on those audited financial statements in our report dated March 8, 2024 because of the departure from generally accepted accounting principles described in the Basis for Qualified Opinion section of our report. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it was derived.

AMG INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

The Organization operates under the name of AMG International, Inc., Advancing the Ministries of the Gospel, and is an interdenominational Christian mission agency ministering in over 40 countries worldwide. The mission of AMG International, Inc. is to advance the gospel by equipping Christ-centered leaders and churches around the world to meet the deepest needs in their communities. AMG International, Inc. provides child sponsorship, at-home ministries, international media ministries, mission volunteer opportunities, healthcare, newspaper evangelism, and support to worldwide missions and missionaries.

Organization

The Organization is a not-for-profit corporation exempt from federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code.

Accounting

The financial statements of AMG International, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

The statements of activities report all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to AMG International, Inc.'s ongoing ministry and interest and dividends earned on investments. Non-operating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

Basis of presentation

The financial statements are presented in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-205, *Not-for-Profit Entities, Presentation of Financial Statements*. The Organization adopted the provisions of Accounting Standards Update ("ASU") 2016-14: Not-for-Profit Entities (Topic 958) *Presentation of Financial Statements of Not-for-Profit Entities*, which improves the current net asset classifications and the related information presented in the financial statements and notes about the Organization's liquidity, financial performance, and cash flows. The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported support, revenues and expenses. Actual results could vary from the estimates that were used.

Cash equivalents

For purposes of these financial statements, the Organization considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents except for those amounts that are held in the investment portfolio which are invested for long-term purposes.

AMG INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

Investments in marketable securities with readily determinable fair market values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Property, equipment and depreciation

Property and equipment are stated at cost at the date of purchase or, for donated assets, at fair value at the date of donation, less accumulated depreciation. Depreciation is calculated over the estimated useful lives of the individual assets using the straight-line method as follows: Computer hardware and software, furniture and equipment, 3 to 7 years and building improvements, 15 years. The Organization's policy is to capitalize all items with a unit cost in excess of \$2,500. Maintenance and repairs, which do not improve or extend the life of the respective assets, are expensed currently. Property items retired, or otherwise disposed of, are eliminated from the assets and accumulated depreciation accounts and gains or losses from disposals are included in the statement of activities. AMG International, Inc.'s management periodically evaluates whether events or circumstances have occurred indicating that the carrying amount of long-lived assets may not be recovered.

Impairment

Long-lived assets, such as property and equipment and programmatic investments carried at cost, are reviewed for impairment whenever events or changes in circumstances indicated that the carrying amount of an asset might not be recoverable. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying value of the assets exceeds the fair value of the assets. In the opinion of management, no long-lived assets were impaired as of December 31, 2024.

Leasing activities

The Organization follows Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, Leases: Topic 842. This ASU amends both lessor and lessee accounting with the most significant change being the requirement for lessees to recognize right-of-use ("ROU") assets and lease liabilities on the statements of financial position for operating leases.

ROU assets represent the Organization's right to use the underlying assets for the lease term and lease liabilities represent the net present value of the Organization's obligation to make payments arising from these leases. The lease liabilities are based on the present value of fixed lease payments over the lease term using the Organization's incremental borrowing rate on the lease commencement date. If the lease includes one or more options to extend the term of the lease, the renewal option is considered in the lease term if it is reasonably certain the Organization will exercise the options. Operating lease expense is recognized on a straight-line basis over the term of the lease. Finance lease expense is recognized as amortization of the right to use asset and interest expense. As permitted by ASC 842, leases with an initial term of twelve months or less ("short-term leases") are not recorded on the accompanying statements of financial position.

The Organization has lease agreements with lease and non-lease components, which are accounted for as a single lease component under the practical expedient provisions of the standard. The Organization has lease agreements with terms less than one year. For the qualifying short-term leases, the Organization

AMG INTERNATIONAL, INC.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leasing activities (continued)

elected the short-term lease recognition exemption in which the Organization will not recognize ROU assets or lease liabilities, including the ROU assets or lease liabilities for existing short-term leases of those assets upon adoption.

Variable lease payments consist primarily of common area maintenance, utilities, and taxes, which are not included in the recognition of ROU assets and related lease liabilities. Variable lease payments and short-term lease expenses were immaterial to the Organization's financial statements for the years ended December 31, 2024 and 2023. The Organization lease agreements do not contain material restrictive covenants.

Donated assets and services

Donated property, investments, and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

AMG International, Inc. receives various donated services that range from limited participation of individuals in administrative services of foreign projects to active participation in the Organization's various programs and activities. The value of these services has not been recorded in the financial statements because they do not meet the definition for recognition under generally accepted accounting principles.

Revenue recognition

Revenue from Exchange Transactions: The Organization recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The guidance requires organizations to apply a five-step model in accounting for revenue arising from contracts with customers, as well as enhance disclosures regarding revenue recognition. Contributions and investment income are excluded from this revenue recognition criteria.

Contributions

Contributions received are recorded as net assets without restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Advertising costs

Advertising costs consist primarily of brochures and other promotional materials, which are expensed as incurred. For the years ended December 31, 2024 and 2023, respectively, advertising costs were \$30,592 and \$21,033.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional allocation of expenses

The costs of providing various programs and other activities for the Organization have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis that is based on where time and efforts are made, and benefits are received.

Financial statement presentation

The Organization reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of trustees.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. As of December 31, 2024 and 2023, the Organization does not have donor restricted funds which are required to be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. For contributions restricted to the acquisition of property and equipment, the restrictions are released when the asset is placed in service unless the donor has provided more explicit requirements.

Management has elected not to consolidate with AMG International, Inc. the financial statements of AMG Publishers, Inc., which is a wholly owned for-profit subsidiary corporation. The carrying value of the investment in AMG Publishers, Inc. is \$100,000 which is the cost basis of the stock. Generally accepted accounting principles of the United States require consolidated financial statements whenever a company has a controlling financial interest in the voting stock of another company. Generally, a company has controlling interest in another company if it owns more than fifty percent of the outstanding shares of that company. Management has determined that separate reporting better facilitates financial reporting for federal and state requirements.

The Organization owns 98.42% of the stock in St. Luke's Hospital in Thessaloniki, Greece. St. Luke's is a 280 bed, fully equipped hospital serving the physical and spiritual needs of the residents of Greece and adjacent countries. Management has elected not to consolidate with AMG International, Inc. the financial statements of St. Luke's Hospital, which is a majority owned for-profit entity. The Organization carries St. Luke's on the cash basis at a cost of \$2,848,993.

AMG International, Inc. has a programmatic investment in a ministry center located in Greece.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial statement presentation (continued)

AMG International, Inc. also owns 100% of the CosmoVision Center located in Athens, Greece. This complex serves as a center for youth outreach for Greece's evangelical minority. The CosmoVision Center is also home to the Zodiates International Center of New Testament Studies. This ministry emphasis provides facilities where individuals, Christian university students, and seminary students can come and study the language, culture, and lands of the New Testament through a variety of programs. The Organization carries CosmoVision Center at historical cost of \$1,511,089. The fair value of this investment is not estimated, as it is not practicable to estimate the fair value of it.

Uncertain tax positions

The Organization follows the requirements of professional literature in accounting for uncertain tax positions. Under this guidance, an Organization must recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination with taxing authorities. The Organization does not believe there are any material uncertain tax positions and, accordingly, it will not recognize any liability for uncertain tax positions. For the year ended December 31, 2024, there were no interest or penalties recorded or included in its financial statements. The federal information returns for the years of 2021 and beyond remain subject to examination.

Related party

AMG Publishers, Inc. is a wholly owned for-profit corporation, which sells books, Bibles, reference books, auditory and E-books.

Amounts reported as due from related parties, included in the accompanying statements of financial position, arise principally from the collaborative activities between AMG International, Inc. and AMG Publishers, Inc. to further the mission of the organization.

Affiliated organizations

AMG International, Inc. is affiliated with other organizations located in Canada, Greece, Germany, and Holland. The Organization acts as an agent for AMG Canada and the agencies overseas served by AMG Canada. AMG International, Inc. certifies that funds received have been disbursed as designated. These affiliated organizations' activities are reflected in the financial statements only to the extent that contributions are made to AMG International, Inc. sponsored foreign programs.

Comparative financial statements

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with AMG International Inc.'s financial statements for the year ended December 31, 2023, from which the summarized information was derived.

Also included in investment return at December 31, 2023 is \$5,263 of interest income from certificates of deposit.

(4) FAIR VALUE MEASUREMENTS

Current accounting guidelines establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets and for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

AMG INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

(4) FAIR VALUE MEASUREMENTS (continued)

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted market prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value:

Market approach – Uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. Prices may be indicated by pricing guides, sale transactions, market trades, or other sources;

Cost approach – Based on the amount that currently would be required to replace the service capacity of an asset (replacement cost); and

Income approach – Uses valuation techniques to convert future amounts to a single present amount based on current market expectations about the future amounts (includes present value techniques, and option-pricing models). Net present value is an income approach where a stream of expected cash flows is discounted at an appropriate market interest rate.

Assets itemized below were measured at fair value during the year ended December 31, 2024 and 2023, using the market approach.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine fair value of certain instruments could result in different fair value measurement at the reporting date.

(8) LINE OF CREDIT

AMG International, Inc. and AMG Publishers, Inc. have a joint line of credit not to exceed \$500,000 at any one time for short-term working capital with Pinnacle Bank expiring November 8, 2024. Interest is due monthly and is subject to change based on the bank's index called the "Pinnacle Base Rate" currently computed at 7.25%. The outstanding loan balance is carried on the books of AMG Publishers, Inc. with an ending balance of \$160,378 and \$100,000 at December 31, 2024 and 2023, respectively.

AMG International, Inc. also has a construction line of credit with Pinnacle Bank not to exceed \$3,200,000 for the construction of a new building. This line expires April 2, 2025 at which time all principal and accrued interest are due. Interest is due monthly and is subject to change based on the bank's index called the "Pinnacle Base Rate." The loan was paid off as of December 31, 2024. The outstanding loan balance was \$1,060,000 at December 31, 2023.

(9) NOTE PAYABLE - OTHER

Note payable to Ted Spriopoulos at 0% interest with no specific repayment terms for the purpose of purchasing the property for The CosmoVision Center in Athens, Greece. The balance at December 31, 2024 and 2023 was \$138,065 .

(10) SPLIT INTEREST AGREEMENTS

Split interest gift agreements consist primarily of gift trusts and charitable gift annuities for which AMG International, Inc. is the remainder beneficiary. Assets held in these trusts are included in investments and recorded at their fair value when received. The value of split interest assets included in the investments at December 31, 2024 and 2023 were \$1,810,026 and \$1,751,308, respectively. Contribution revenues are recognized at the dates the trusts are established net of the liabilities for the present value of the estimated future payments to be made to the donors and/or other beneficiaries. The liabilities are adjusted during the term of the agreements for changes in the value of the assets, accretion of the discount and other changes in the estimates of future benefits. Discount rates range from 3.0% to 15.0%. The liability for the present value of deferred gifts of \$518,286 and \$536,475 at December 31, 2024 and 2023, respectively, is based upon actuarial estimates and assumptions regarding the duration of the agreements and the rates to discount the liability. Circumstances affecting these assumptions can change the estimate of this liability in future periods.

(11) NET ASSETS

(13) RETIREMENT PLAN

The Organization has adopted two separate retirement plans: a 401(k) and a profit-sharing plan. The Organization will match employee 401(k) contributions up to 4%. Employees are automatically enrolled in the program at date of hire at 4% contribution level unless the employee specifies a different amount or elects out of the program. The Organization will also make an annual contribution of up to 5% of employee compensation up to \$4,000 after the eligibility requirements are met for the profit-sharing plan. Requirements are completing 1000 hours of employment and if hired before June 30, employee will be placed in the profit-sharing plan beginning in January of the next year. If an employee is hired July 1 or after, the employee will be placed in the profit-sharing plan the following January of the next year. Expenses under the above-described plans totaled \$73,864 and \$77,148 for the years ended December 31, 2024 and 2023, respectively.

(14) ENDOWMENT FUNDS

The Organization's endowment consists of several individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

AMG INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

(14) ENDOWMENT FUNDS (continued)

AMG International, Inc. is subject to the State Prudent Management of Institutional Funds Act (SPMIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board of Trustees appropriates such amounts for expenditure. Most of those net assets also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of Directors of AMG International, Inc. has interpreted SPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulated the contrary.

As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. AMG International, Inc. has interpreted SPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the organization
7. The investment policies of AMG International, Inc.

Endowment net asset composition by type of fund as of December 31, 2024 is as follows:

power of the endowment assets. The performance of the total equity portfolio will be compared with the Standard & Poor's 500 Index and a customized index, which will be 80% Wilshire 5000 Index and 20% E.A.F.E Index. Given the additional risks accepted in the managed funds, they are expected to earn a minimum of 150 basis points in excess of their respective benchmarks over a three- to five-year time frame. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. Actual returns in any given year may vary.

Strategies Employed for Achieving Objectives

To satisfy its long-term objectives, AMG International, Inc. relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives with prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

AMG International, Inc. has a policy of appropriating for distribution each year the amount necessary to fund the supported children and national workers. In establishing this policy, the Organization considered the long-term expected return on its endowment. Accordingly, over the long term, the Organization expects the current spending policy to allow its endowment to grow at an acceptable rate annually.

(15) CONCENTRATION OF CREDIT RISK

At December 31, 2024, the Organization had no cash or cash equivalents on deposit at financial institutions which exceeded the Federal Deposit Insurance Corporation's (FDIC) insurance limit.
